ISO 9001-2008 Certified

For over 25 years, Crum Manufacturing, Inc. has been a leader in serving the rubber hose, metal tubing, and wire form industries. Whether simple or complex, we can design, manufacture, fabricate, and certify your tooling requirements. Our competitive edge is derived from affordable pricing, high quality, and short lead times.

EQUIPMENT CAPABILITIES

- ◆ (1) Fadal 5020 vertical machining centers
- ◆ (2) Fadal 3015 vertical machining centers
- ◆ Fagor 5-axis gantry router (10'x5'x3')
- ◆ (2) Tree 1050 vertical machining centers
- ◆ Star SR-32 lathe, bar feeder, 1.25" max OD
- ◆ (2) Haas CNC lathes with live tooling
SL30, 2.5" OD bar feeder, 8" max OD
SL20, 6" max OD
- ◆ TIG & MIG welding
- ◆ (2) Pedrick hydraulic benders
- ◆ (20) Manual benders
- ◆ Manual lathes and mills
- ◆ Brown & Sharpe MicroXcel CMM
- ◆ Romer Cimcore Infinite CMM Arm

PRODUCTS AND SERVICES

- ◆ Bending services
- ◆ Design and prototyping services
- ◆ Product certification (CMM)
- ◆ Fixtures
 - Hose check fixtures
 - Tube check fixtures
 - Wire form fixtures
 - Assembly check fixtures
 - Trim fixtures
 - Printing/stamping fixtures
 - Other various inspection gages
- ◆ Complete fabrication services
- ◆ TIG & MIG welding
- ◆ Milling and turning services
